**The Como Melbourne, Signature Cocktail**

**Limoncello Collins 19**

“Digestives are the drink of choice at Lake Como where the hotel takes its name, this region of Italy sees its hills filled with wild rosemary. Taken from our own garden the rosemary adds depth of scent to this refreshing cocktail. The limoncello is sourced locally from Bass & Flinders in Red Hill Victoria where one of Victoria’s first female distillers produces an array of new world style gins and liqueurs from grapes supplied from the many wineries in the region.”

**Inspired by Her Cocktail—Violet Fizz 19**

“This gin based cocktail heroes Bass & Flinders Soft and Smooth Gin. The gin is the creation of Holly, head distiller at Bass & Flinders in Red Hill Victoria; a small but unique distillery passed on to her by her father. Bass & Flinders is set apart from other local gin distillers as they use a base spirit made from grapes sourced from wineries in the region. This balanced cocktail takes its hue from the purple lavender fields in the surrounding Red Hill region, and is finished with the flower from our rooftop garden.”
